Liners and
Container Grown Nursery Stock

Goochland Nurseries, Inc.

2 MILES NORTH OF FT. MEADE ON U.S. HIGHWAY 17
PHONE FT. MEADE ATwater 4-5401 - PEMBROKE, FLORIDA

"A MESSAGE TO YOU"

We try very hard to live up to our motto, "Home of Quality Grown Plants", and at the same time increase our quantity which we have done this past year.

We want to thank each and every one of our customers for their fine patronage, for had it not been for you, we would not have been able to have the quantity and quality that we now have available.

We want to extend to you a cordial invitation to visit our nursery to select or to see the fine lot of liners and container grown stock that we now have to offer you.

We trust, that the sketch on opposite page will be of help to you in finding our nursery.

Most sincerely,

R. E. "Ed" Brown

SALES AND CONDITIONS

PRICES: The prices listed herein are for use by Nurseryman, Florist and Dealers only. They are based on quality of stock and current conditions. Prices subject to change without notice. This list cancels all previous price lists.

TERMS: Our regular terms are for cash, however we will gladly arrange for credit with those of known responsibility. All open accounts are due on or before the 10th. of month following date of purchase. Discounts for cash on orders of \$50 or more when picked up at our nursery.

CONDITIONS: We accept all orders subject to prior sale and all orders accepted on condition that they shall be void should stock become damaged in any way prior to shipping date.

SHIPPING & PACKING: We are not equipped for shipping plants larger than 4" pot size. All plants are put in paper cups, packed in specially designed boxes to pack the following quantities. 50-2½"; 36-3"; 20-4". Please order in multiples of the above sizes.

QUANTITY: Minimum quantities are as follows:
25-2½" pots of any one variety.
25-3" pots of any one variety.
10-1 Gallon can of any one variety.
5-Egg can of any one variety.

Add 10¢ each for less than 10-1Gallon can.

Add 25¢ each for less than 5-Egg can.

Minimum orders, liners for shipping, 100 plants.

DELIVERY: We will deliver without charge up to 250 miles from our nursery when invoice amounts to \$3.00 for each mile from our nursery to yours. Split loads will be arranged. Minimum order for each stop \$75.00. All orders delivered are to be cash, long distance deliveries arranged.

GUARANTEE: The Goochland Nurseries, Inc., warrant to the extent of the purchase price that our nursery stock is sold true to name and as described within recognized tolerances. Seller gives no other or further warranty, express or implied, and will under no circumstances be liable for more than the invoice value at time of purchase.

ANTHURIUM HUEGELII

A plant with very large leaves attaining a height of four feet. Striking appearance, blossom large but unattractive.

3-Gallon Can (Painted) \$ 3.00

ARBORVITAE AUREA NANA (Berkman's Golden)

Slow growing, dense and shaped like a pointed globe. Bright golden yellow.

2½" Pot20
1-Gallon Can75
2-Gallon Can	1.25
Egg Can	1.75

ARBORVITAE BAKERI

A compact growing pyramidal Arborvitae. Foliage light green color. Better for hot, dry locations.

2½" Pot20
1-Gallon Can75
Egg Can	1.75

ARBORVITAE FRUITLANDI

Same growing habit as *Aurea Nana*, except it has a dark green cast.

2½" Pot20
1-Gallon Can75

ALLAMANDA HENDERSONI

Tropical - A medium size shrub with waxy leaves and flowers about five inches across. Flowers of golden yellow all summer.

2½" Pot20
1-Gallon Can75
Egg Can	1.75

ALLAMANDA NERIFOLIA (Bush Allamanda)

Tropical - Rather narrow foliage. Flowers are deep yellow, tubular. Does well in partial shade. Semi-hardy.

2½" Pot20
1-Gallon Can65
Egg Can	1.75

ALLAMANDA VIOLACEA

Tropical - Purple Allamanda. Foliage rather rough. Flowers a beautiful shade of dusty rose deepening in the center. Prefers partial shade.

2½" Pot30

ALLAMANDA DBL. YELLOW

Tropical - Sport of Williamsii. Large to medium, shining dark green and willowy leaves. Lovely double yellow blossoms 3 to 4" across. Grows well in both shade and sun.

2½" Pot20
1-Gallon Can75

ARALIA ELEGANTISSIMA

Tropical - Delicate filliform leaves, dark green above and chocolate colored beneath. Rather tall and upright.

2½" Pot20
1-Gallon Crimp Can 1.25

AUSTRALIAN PINE (Cunninghamiana)

Hardy - Almost identical with the rest of the species. Useful as a windbreak.

2½" Pot17½

BIGNONIA VENUSTA
(Flame Vine)

Tropical — Foliage medium to large, light green and pointed. Flowers in late winter and early spring. Clusters of orange-red tubular blooms.

2½" Pot20
1-Gallon can (Staked).....	1.00
Egg Can (Staked)	2.50

BUXUS HARLANDI (Boxwood)

Very Hardy — Dark green, narrow leaved, compact, slow grower.

2½" Pot18
1-Gallon Can (8" - 12")65
1-Gallon Can (12" - 15")85

BUXUS JAPONICA
(Boxwood)

Hardy — Low evergreen compact shrub. Small bright green foliage. Ideal for hedge planting.

2½" Pot18
1-Gallon Can (8" - 12")65
1-Gallon Can (12" - 15")85

CALLIANDRA PINK
(Powder Puff)

Tropical Shrub — Bright pink stamens shaped like powder puffs. Foliage dark green.

2½" Pot20
1-Gallon can75

CALLIANDRA RED
(Powder Puff)

Tropical Shrub — Same as above except has red flowers.

2½" Pot20
1-Gallon Can65
Egg Can	1.75

CALLIANDRA WHITE (Powder Puff)

Tropical — Foliage somewhat larger and lighter in color than that of the two above varieties. Pure white powder puff like flowers.

1-Gallon Can	1.00
--------------------	------

CALLISTEMON CITRINUS
(Weeping Bottle Brush)

Hardy — Small growing tree with willow like branches. Produces mass of bright red flowers.

2½" Pot20
1-Gallon Can (Staked)	1.00

CALLISTEMON LANCEOLATA
(Bottle Brush)

Hardy - Same as above except for stiffer branches and larger leaves. Produces mass of bright red bottle brush like flowers.

2½" Pot20
1-Gallon Can	1.00
Egg Can	2.50

CALLISTEMON RIGIDUS
(Bottle Brush)

Hardy - More rigid than above. Tall, Bushy shrub rather than tree. Bright red bottle brush like flowers.

2½" Pot20
1-Gallon Can75
Egg Can 2-3'	1.75
Egg Can 3-4'	2.50

CALLISTEMON VIMINALIS (Bottle Brush)

Hardy - Tall slender shrub or small tree with slender, semi-weeping branches, with bright scarlet bottle brush-like blooms.

2½" Pot20
1-Gallon Can	1.00
Egg Can	2.50

CARISSA BOXWOOD BEAUTY

Semi-Tropical — This is a new *Carissa* introduced by a nurseryman near Sarasota. It is a very compact growing *Carissa* with the same dark shiny green leaf as the old *Grandiflora* with white flowers and fruit.

2½" Pot35
1-Gallon can	1.25

CEDRUS DEODARA

One of the finest large Conifers for the Southeast. Tall spreading pyramidal tree of fine silvery gray-green foliage.

3" Pot30
1-Gallon Can (18" – 24")75
Egg Can (2" – 3")	1.75
Egg Can (3" – 4")	2.50

CHALCAS (Orange Jasmine)

Tropical — Foliage is small, very shining and a bright green. Flowers about the size of an orange blossom. White and very fragrant.

2½" Pot20
1-Gallon Can (12" – 18")75

CHERRY LAUREL

Large shrub or a small tree with dark glossy, green foliage. White flowers are followed by small dark berries.

2½" Pot18
Egg Can (2" - 3")	1.75
Egg Can (3" - 4")	2.50

CITRUS, OWN ROOT**Calamondin**

2½" Pot25
4" Pot50

Kumquat Hindsii

2½" Pot25
4" Pot50

Lemon Avon

2½" Pot25
1-Gallon Can	1.00

Lemon Ft. Green

2½" Pot25
1-Gallon Can	1.00

Lemon Meyer

2½" Pot25
4" Pot50

Lemon Ponderosa

2½" Pot25
4" Pot50

Lime Key

2½" Pot25
---------------	-----

Limequat Lakeland

2½" Pot25
---------------	-----

Orange Otaheite

2½" Pot25
4" Pot50

Persian Lime

2½" Pot25
1-Gallon Can	1.00

CONFEDERATE JASMINUM

Hardy — A Splendid hardy vine of dark green, waxy, medium size leaves. Star shaped, pure white clusters, flowers in early spring.

2½" Pot20
1-Galon (Staked)	1.00
Egg Can (Staked)	2.50

CORNUS FLORIDUM (White Dogwood)

Small tree with deciduous leaves. Small white or greenish-white flowers.

1-Gallon Can75
Egg Can (3' - 4')	2.00
Egg Can (4' - 5')	3.00

COTONEASTER HORIZONTALIS

Low spreading semi-evergreen shrub. Small round leaves, pinkish flowers in spring followed by bright red berries in fall.

2½" Pot18
1-Gallon Can75

CROTONS

Tropical — Very tender. Leaves wide range of color and variation.

2½" Pot22½
4" Pot50
1-Gallon Can	1.00

CUPHEA HYSSOPIFOLIA

Tropical — Splendid for low borders and hedges. Foliage small. Tiny lavender flowers ever-blooming. Prefers partial shade.

2½" Pot18
---------------	-----

14. GOOCHLAND NURSERIES, INC.

CUPHEA HYSSOPIFOLIA RED

Seedling from the above with brighter green foliage. Wine-red blossoms. Very showy. Hardier.

2½" Pot18
Quart Can35
1-Gallon Can55

CUPHEA WHITE

Foliage same as Red and Lavender with dainty white blossoms.

2½" Pot20
---------------	-----

DAY LILY

Hardy - Summer flowering perennials with narrow, grass-like leaves. Flowers have a wholesome fragrance. Will grow in full sun or partial shade.

1-Gallon Can50
--------------------	-----

FICUS DECORA

Showy, broad leaf rubber plant, reddish cast to leaves.

2-Gallon Green Can	3.00
3-Gallon Green Can	4.50

FICUS ELASTICA

Tropical - Large deep green waxy leaves. The new leaves are lighter in color and the leaf buds are incased in a bright red sheath, making a pleasant color contrast.

1-Gallon Crimp Can 1.00

FICUS MACROPHYLLA

Tropical - Large foliage very similar to the Elastica but thinner and lighter green and more tapering.

1-Gallon Crimp Can 1.50

FICUS NITIDA (Indian or Cuban Laurel)

Tropical - Small laurel-like dark green leaves. Tall, upright in growth and spreading. Fairly hardy.

2½" Pot18

1-Gallon Can 1.00

Egg Can 2.50

FICUS PANDURATA (Banjo Fig)

Tropical - Extremely large and long leaves. Very good for pot or tub culture.

(Mosses 75¢ when available)

1-Gallon Crimp Can 1.50

2-Gallon Green Can 2.50

3-Gallon Green Can 3.50

Egg Can 4.50

FICUS PHILLIPINSIS

Tropical — Drooping branches with graceful narrow leaves with long tips.

2½" Pot18
1-Gallon Can	1.00
Egg Can (Light).....	2.50
Egg Can (Heavy)	4.50

FICUS REPENS VARIEGATED

Sub-tropical — A fast growing type of climber with small pointed leaves of green and white of great beauty.

2½" Pot20
---------------	-----

FICUS RUBIGINOSA

Tropical — Compact shrub or tree of medium size. Leaves dark rich green above and brownish underneath.

2½" Pot20
1-Gallon Can	1.00
Egg Can	2.50

GARDENIAS

Sub-tropical to hardy - We only grow Gardenias Grafted on Thunbergia root stock. Varieties listed below.

4" Pot75
1-Gallon Can	1.25
Egg Can	2.50

BELMONT - An old variety, compact, medium size white flower. Mid-season bloom. Foliage somewhat larger than Veitchii.

CORAL GABLES - A new variety. Flowers very large showing no stamens. Blooms throughout summer. Foliage very large and dark green. Compact.

GLAZERI - Tall growing, foliage large, light green in color. Very large flowers. Early bloomer.

RADICANS - Miniature gardenia having very small glossy leaves. Very small white fragrant flowers. Blooms in late spring and early summer.

U. S. #1 - Somewhat identical to Glazeri. Foliage somewhat darker. Flowers very large. Blooms early.

VEITCHII - Compact growing dwarf form of the Gardenia family. Hardest type Free blooming flowers.

GORDONIA (Bay Tree)

Hardy - Leaves are green above with silvery under-surface. The flowers are large, snowy white, blooming during the spring months.

2½" Pot20
1-Gallon Can75
Egg Can	1.75

GREVELLIA ROBUSTA (Silk Oak)

Sub-tropical - Beautiful fern-like foliage, dark green above and silvery underneath. Orange-yellow flowers.

2½" Pot18
1-Gallon Can60
Egg Can	1.75

HYDRANGEA

Semi-deciduous flowering shrub with huge heads of pink or blue flowers appearing above leaves. Demands semi-shade.

2½" Pot20
1-Gallon Can75

ILEX CRENATA HELLERI

Dwarf growing type of Holly. Excellent for hedge. Small leaves and compact type of growth.

2½" Pot20
1-Gallon Can	1.00

ILEX EAST PALATKA (Fla. Holly)

Leaves light green. Bright red berries.
Compact and fast grower.

Egg Can (3' - 4')	2.50
Egg Can (4' - 5')	3.50

ILEX FOSTERI

Medium grower. Very compact, small shiny
green leaves and very spiny. A good fruiter.

1-Gallon Can	1.00
Egg Can (3' - 4')	2.50
Egg Can (4' - 5')	3.50

ILEX ROTUNDA

Semi-hardy - Roundish dark green leaves of
compact growth. Excellent for small shade tree.

Egg Can	2.50
---------	------

ILEX VOMITORIA (Dwarf)

Compact. Shiny slightly spined leaves and
refined, low growth. Desirable in planters and
ground covers.

2½" Pot	.25
1-Gallon Can	1.00

IXORA CHINENSIS

Very low, compact growing, with orange-red blossoms. Does better in semi or full shade. Ideal for indoor planter boxes.

2½" Pot30
---------------	-----

IXORA COCCINEA (Flame of the Woods)

Tropical handsome ever-green shrub with large dark green foliage. Clusters of brilliant red star shaped flowers on slender tubes.

2½" Pot20
1-Gallon Can75
Egg Can	1.75

IXORA ROSEUM

A new variety. Seems to be a good grower and a good coral pink flower. Apparently free bloomer.

2½" Pot30
---------------	-----

IXORA SUPER KING

Named by size of leaf and flower as the leaves and flowers are extra large. Very slow grower due to extra heavy flowering. Flowers in extra large clusters.

2½" Pot40
---------------	-----

IXORA YELLOW

This variety is selected from one of our seedlings and has proven to be a very good grower.

2½" Pot30
---------------	-----

JACARANDA

Large evergreen tree with large fernlike light green leaves. Clusters of bigonia-like lavender-blue flowers.

2½" Pot18
1-Gallon Can60
Egg Can	1.75

JASMINUM DAINTY

A seedling found in our own nursery. Medium grower somewhat upright but very compact. Leaves about one-third size of Ilicifolium and a lighter green foliage. Flowers of pure white and continuous bloomer.

2½" Pot20
1-Gallon Can75
Egg Can	1.75

JASMINUM ILICIFOLIUM

Sub-tropical — Very shiny somewhat pointed foliage, and terminal rather open clusters of large fragrant white flowers.

2½" Pot18
1-Gallon Can65
Egg Can	1.75

JASMINUM POLYANTHUM

This is a new Jasmine to us. A very good vine with small fern like leaves. Flowers are fragrant, white above, rose underneath petals with red stem. Free flowering.

2½" Pot25
1-Gallon Can (Staked)	1.00

JASMINUM PUBESCENS

Sub-tropical — Evergreen shrub, flowers white. Fine for foundation planting.

2½" Pot18
1-Gallon Can65
Egg Can	1.75

JASMINUM ROBUSTA

A seedling found in our nursery. Practically same habit of growth as *Ilicifolium*. Foliage lighter in color, flowers pure white. Good bloomer.

2½" Pot20
1-Gallon Can75
Egg Can	1.75

JASMINUM SIMPLICIFOLIUM

Sub-tropical - Bushy and thick in growth. May be used as a low hedge or for base planting. Flowers white.

2½" Pot20
1-Gallon Can75
Egg Can	1.85

JASMINUM SIMPLICIFOLIUM VARIEGATED

Similar to *Simplicifolium*, showing more variegation in foliage.

2½" Pot20
1-Gallon Can75
Egg Can	1.85

Aerial view of GOOCHLAND NURSERIES, INC.—“HOME OF QUALITY GROWN PLANTS”

2 MILES NORTH OF FORT MEADE ON U. S. HIGHWAY 17 PEMBROKE, FLORIDA

JUNIPER CONFERTA (Shore Juniper)

A very prostrate growing evergreen. Attractive light green foliage. Excellent for ground covers or planters.

2½" Pot20
1-Gallon Can75

JUNIPER FRUITLANDI

A very compact, spreading Juniper. Dark green color.

2½" Pot20
1-Gallon Can75

JUNIPER HETZI

Similar to Pfitzeri Juniper with more bluish color and more upright grower.

2½" Pot20
1-Gallon Can75
Egg Can	1.75

JUNIPER PFITZERI

A bushy wide spreading shrub with horizontal branches of bluish-green foliage. Very hardy.

2½" Pot20
1-Gallon Can75
Egg Can	1.75

JUNIPER VIRGINIANA (Red Cedar)

Narrow pyramidal, dense, steel-blue foliage.
Hardy.

1-Gallon Can	1.00
Egg Can (3-4')	2.25
Egg Can (4-5')	3.25

KOELREUTERIA (Golden Rain Tree)

Semi-deciduous tree attaining the height of about 30'. Produces bright yellow flowers in late summer.

2½" Pot18
1-Gallon Can	1.65
Egg Can	1.75

LAGERSTROEMIA (Crape Myrtle)

William Tovey (Red) - Vigorous upright growth, hardy and deciduous. Rose-red flowers.

2½" Pot18
1-Gallon Can	1.00
Egg Can	1.75

LANTANA FLORIDA YELLOW

Foliage very much like that of Sellowiana. Rich yellow flowers blooming most of the year.

2½" Pot25
1-Gallon Can	1.00

28. GOOCHLAND NURSERIES, INC.

LANTANA SELLOWIANA (Trailing)

Low spreading evergreen shrub with deep green leathery leaves. Lavender-pink flowers most of the year.

2½" Pot17½
1-Gallon Can65

LIGUSTRUM FRASERII

An upright growing variety. New growth is variegated.

1-Gallon Can65
--------------------	-----

LIGUSTRUM LUCIDUM

Hardy — Wax privet. Broadleaved evergreen shrub. Dark green shining leaves.

2½" Pot18
1-Gallon Can65

MAGNOLIA GRANDIFLORA

Medium size evergreen tree with large deep green glossy leaves and immense lily-like fragrant white flowers.

1-Gallon Can75
Egg Can (3-4')	2.00
Egg Can (4-5')	3.00

MALPIGHIA COCCIGERA

Tropical — Dwarf Holly. Shiny holly-like foliage. Seldom reaches a height of more than two feet. Small light pink flowers.

2½" Pot18
Quart Can40
1-Gallon Can75

MALPIGHIA COCCIGERA PROSTRATE

Same as above. One we found growing very prostrate along side of an upright grower.

2½" Pot20
Quart Can40

MALPIGHIA LOWBOY

Evidently a cross as it has no spines but good green color and very prostrate growing.

2½" Pot20
Quart Can40

MELALEUCA (Punk)

Sub-tropical — A slender tree of medium height with willowy branches and narrow gray-green foliage. Creamy white flowers. The bark is soft, silvery white, rather cork-like.

Egg Can	1.50
---------------	------

MYRTUS COMMUNIS COMPACTA (Sweet Myrtle)

Hardy. Fine rather pointed foliage, and very sweet white flowers in early spring. Prefers sunny location for best results.

2½" Pot20
1-Gallon Can75

MYRTUS ITALICA

A semi-bush type, small foliage, small white flowers. Good for foundation or border planting.

2½" Pot20
1-Gallon Can75

NOLINA

Hardy. Dracaena like leaves. Sometimes called "Pony Tail". Excellent for patio or formal garden.

5" Pot.....	.75
1-Gallon Can (Crimped)	1.25

OLEANDER CARDINAL

Large growing evergreen shrub with long narrow dark green leaves. Clusters of Cardinal red flowers.

2½" Pot20
---------------	-----

OLEANDER DR. GOLFIN

Large single flower, bright cerise red. Very heavy bloomer.

2½" Pot20

OLEANDER DBL. PINK

Large double pink flowers. Very heavy bloomer.

2½" Pot18

OLEANDER SINGLE PINK

Large single pink flowers. Very heavy large bloomer.

2½" Pot18

OLEANDER DBL. WHITE

Large double white flowers. Very heavy bloomer.

2½" Pot18

OLEANDER SINGLE WHITE

Large single white flowers. Good bloomer.

2½" Pot18

OLEANDER DBL. RED

Large double red flowers. Very heavy bloomer.

2½" Pot20

PALM ARECA

Tropical - Slender, ringed trunks and graceful curving foliage. Prefers moist soil and somewhat shaded location. Very good for house culture.

1-Gallon Can 1.00

PALM COCOS PLUMOSA (Queen Palm)

Sub-tropical - Particularly adapted to high, well drained sections of the state. The trunk is more slender than the Royal Palm but the head of foliage more graceful and plumy.

2½" Pot20
Egg Can 1.50

PALM COONTIE (Zamia)

Hardy. Erect leaves with larger individual leaflets somewhat toothed at the end. Has been known to reach a height of 3 feet.

1-Gallon Can 1.00

PALM LIVISTONA (Chinese Fan)

Hardy. Rather slow growing. Large handsome fan leaves. Recommended for partially shaded locations.

2½" Pot20
1-Gallon Can	1.00

PALM NEANTHE BELLA

Very dwarf growing palm more suited for pot culture as it requires shade.

2½" Pot20
---------------	-----

PALM PHOENIX ROEBELENI (Pigmy Date)

Sub-tropical - A dwarf species suited for pot and tub culture. Foliage fern-like. Thrives equally well in either sun or shade.

2½" Pot20
Quart Can40
1-Gallon Can75
Egg Can	2.50

PALM TRAVELERS

Large, heavy, smooth leaves, somewhat resembling banana structure. Particularly desirable for backgrounds around pools and where extreme tropical effects are desired.

1-Gallon Can	1.25
--------------------	------

PARKINSONIA

A very good, small deciduous tree for hot dry places. In early summer it becomes a mass of small bright yellow flowers.

2½" Pot20
1-Gallon Can	1.00

PENTAS CELESTIAL ROSE

Tropical — Rather dwarf shrub, compact grower, almost continually in bloom. Flowers in small clusters.

2½" Pot17½
---------------	------

PENTAS CORAL PINK — Tropical

2½" Pot17½
---------------	------

PENTAS ORCHID — Tropical

2½" Pot17½
---------------	------

PENTAS VIVID — Tropical

2½" Pot17½
---------------	------

PENTAS WHITE — Tropical

2½" Pot17½
---------------	------

PHILODENDRON SELF HEADING

Good for pots, tubs and landscape work.
Assorted varieties.

1-Gallon Can	1.25
Egg Can	2.50
3-Gallon Can (Green)	2.75
7-Gallon Can	4.50

PITTOSPORUM TOBIRA

Evergreen shrub with long shiny green leaves.
Fragrant white flowers.

2½" Pot18
1-Gallon Can75

PITTOSPORUM TOBIRA VARIEGATA

Similar to Tobira but dwarfer in growing habit.
Foliage is a combination of light green and
white variegated leaves.

2½" Pot20
1-Gallon Can85

POINCIANA

Tropical - Pinnate-leaved tree. Rapid in
growth forming a beautiful umbrella shaped top.
Large brilliant scarlet flowers in early summer.

2½" Pot20
---------------	-----

PLUMBAGO BLUE

Semi-climbing shrub producing clusters of blue flowers during the summer.

2½" Pot ..	.20
-------------------	------------

PODOCARPUS MAKI

A tall compact growing evergreen shrub with very narrow leaves.
